Re: 192 Hampden Road

To whom it may concern,

The Property located at 192 Hampden Road was connected to the Town's Sanitary Sewer System on 04/10/2024. The septic tank was pumped and crushed. A new 4" PVC pipe was laid to the Town's 4" connection point at the property line. All aspects of the above were inspected by a DPW inspector and approved.

Regards,

Felix Vachon
