VISION

The diagram illustrates a large rectangular area with internal divisions. At the top, a horizontal line is labeled 'OFF' on the left and '30' on the right. Below this, a vertical line on the left is labeled '7' near the top and '6' further down. A horizontal line across the middle is labeled '30' on the right. To the left of this middle line, there is a vertical section containing labels 'HST', 'FFL', and 'BMT' stacked vertically, with numbers '6', '4', and '3' interspersed. Below this section, the number '88' is visible. On the right side of the main rectangle, the number '28' is placed near the bottom. At the bottom center, the number '33' is located. On the left side, near the bottom, the number '14' is present. The diagram uses solid black lines for boundaries and labels for specific points or regions.

A photograph of a light blue, single-story house with white shutters and a white picket fence in the foreground. The house has a gabled roof with two dormer windows. The date "2007 7 20" is printed in red in the bottom right corner.
