A photograph of the East Longmeadow Fire Department building. The building is a large, single-story structure made of reddish-brown brick. It features a series of large, arched garage doors with white frames and multiple panes. The roof is covered in a layer of snow. Above the central entrance, there is a small circular emblem and the text "EAST LONGMEADOW FIRE DEPARTMENT". To the right of the main building, there is a smaller section with a similar design. The building is surrounded by a dark asphalt parking lot with some snow patches. In the background, there are bare trees and a clear blue sky with a few wispy clouds. A tall antenna tower is visible behind the building.
