The diagram shows a floor plan with two main rooms and a central corridor. The room on the left is labeled "FFL BMT" and has dimensions 44 (top), 24 (left), 20 (bottom right), and 5 (right). The room on the right is labeled "GAR" and has dimensions 12 (top), 20 (right), and 12 (bottom). A central corridor, labeled "EFP", has dimensions 12 (top), 10 (left), 10 (right), and 5 (bottom). The corridor connects the two rooms.

A photograph of a blue house with a grey roof, partially obscured by bare trees, under a cloudy sky. The house has white trim around the windows and a small chimney. The trees are leafless, suggesting a winter or late autumn setting. The sky is overcast and grey.A photograph of a blue, single-story house with a grey roof and a large tree in the foreground. The house has white trim around the windows and doors. The yard is covered in snow, and a paved road is visible in the foreground.
