The diagram shows a building footprint with a total area of 54. The footprint is composed of a main rectangular section and two smaller rectangular sections. The main section has a width of 28 and a height of 24. The top section has a width of 20 and a height of 14. The bottom section has a width of 20 and a height of 4. The dimensions are labeled in blue and red. The area calculations are shown in red and blue.

Dimensions and Area Calculations:

- Top section: 20 (width) x 14 (height) = 280 (area)
- Main section: 28 (width) x 24 (height) = 672 (area)
- Bottom section: 20 (width) x 4 (height) = 80 (area)
- Total area: 280 + 672 + 80 = 1032

A photograph of a single-story house with beige siding and a brown roof. The house features a front porch with white railings and a small white door on the right side. The house is surrounded by a green lawn and trees. A red date stamp "2009 7 17" is visible in the bottom right corner.
