VISION

State Use 996
Print Date 11/4/2021 8:29:09 AM

A large, open-sided wooden pavilion with a gabled roof and a picnic table inside, situated in a park-like setting. A paved path leads to the pavilion. In the foreground, a street sign for 'BROADLEAF' and 'FIELD'S' is visible. The background shows a large, light-colored building with many windows, possibly a school or community center, and a grassy area with some landscaping.
