

Site plan of the proposed 1208 sq ft SFL building. The plan shows the building footprint in blue with dimensions. Surrounding areas are labeled in red: UTQ GAR, WDK, FFL BMT, and OFP. The building footprint includes a main rectangular section and a smaller section to the right. Dimensions are provided for all walls and internal divisions.

A large, two-story white house with a brown roof and multiple gables, set against a clear blue sky and bare trees. The house features several windows, including a large arched window on the right side and a smaller arched window on the left. A chimney is visible on the roof. The house is surrounded by bare trees, suggesting a winter or late autumn setting.A large, two-story white house with a brown roof and a chimney, set in a winter landscape with snow and bare trees.
