NOTES																																	

The diagram consists of two main interconnected shapes, one outlined in red and one in blue, set against a yellow background. The red shape on the left has a vertical line on its left side with a '20' next to it. Inside this shape, the word 'GAR' is written in red. To its right, the word 'EFP' is written in red. Various numbers are placed along the red lines: '13' at the top left, '7' on the top right, '12' and '12' in the middle, '13' at the bottom left, and '1' at the bottom right. The blue shape on the right is larger and more complex. It has a vertical line on its right side with a '20' next to it. Inside this shape, the words 'UAT', 'FFL', and 'BMT' are stacked vertically in blue. Various numbers are placed along the blue lines: '16' at the top, '6' on the top left, '24' on the top horizontal line, '2' on the left vertical line, '15' on the bottom left vertical line, '27' on the bottom horizontal line, '3' on the bottom right vertical line, '13' on the right vertical line, and '2' at the bottom right. There are also some numbers like '12' and '12' near the intersection of the red and blue shapes.

A photograph of a single-story brick house with a dark roof and a central chimney. The house is surrounded by a dense forest of tall, green trees. The scene is captured from a slightly low angle, emphasizing the height of the surrounding foliage. The lighting suggests a bright, sunny day, with dappled sunlight filtering through the leaves.A photograph of a single-story brick house with a dark roof and a chimney, situated on a green lawn with a driveway and surrounded by trees. The text "329 PROSPECT ST" is overlaid in large, bold, black letters.
