Diagram of a composite figure consisting of a large rectangle and a smaller rectangle on top. The large rectangle has a width of 30 and a height of 22. The smaller rectangle has a width of 12 and a height of 12. The total width of the figure is 16 + 12 = 28. The total height is 22 + 12 = 34. The figure is labeled "SFL", "FFL", and "BMT" in the center, and "WDK" is written in red near the top right corner.

A photograph of a two-story white house with a dark grey roof and blue shutters, set against a cloudy sky. The house has white horizontal siding and two windows with blue shutters. A small decorative pediment is visible above the front door. The background shows utility poles and trees.A two-story white house with blue shutters and a small front porch, surrounded by a green lawn and trees. The house has a dark grey roof and a small pediment over the front door. There are four windows visible, each with blue shutters. The front yard is green with some bushes and a small tree. A paved driveway leads to the left side of the house. A white mailbox is on the lawn. A red date stamp '2007 10 15' is in the bottom right corner.
