|                                                                  |  |      |  |                                                                            |  |                   |  |         |  |                                                                 |  |                    |  |        |           |                                                                     |  |          |          |         |                             |       |          |         |  |          |          |
|                                                                  |  |      |  |                                                                            |  |                   |  |         |  |                                                                 |  |                    |  |        |           |                                                                     |  |          |          |         |                             |       |          |         |  |          |          |

The diagram shows a building layout with the following dimensions and labels:

- Leftmost section:** A large rectangle with a width of 32 and a height of 25. It contains the labels **HST**, **FFL**, and **BMT** stacked vertically.
- Middle section:** A rectangle with a width of 8 and a height of 12. It is connected to the leftmost section by a vertical line of length 13.
- Rightmost section:** A rectangle with a width of 12 and a height of 20. It contains the labels **EEP** and **GAR** stacked vertically.
- Dimensions:** The top horizontal boundary is 32. The bottom horizontal boundary is 32. The left vertical boundary is 25. The right vertical boundary is 20. The middle vertical boundary is 12. The middle horizontal boundary is 8. The bottom horizontal boundary of the rightmost section is 12. The bottom vertical boundary of the rightmost section is 4. The bottom horizontal boundary of the middle section is 8. The bottom vertical boundary of the middle section is 12. The bottom horizontal boundary of the leftmost section is 32. The bottom vertical boundary of the leftmost section is 25.

A photograph of a white, single-story house with a gabled roof. The house features dark shutters on the windows and a small chimney on the roof. It is surrounded by lush green trees, and a small bird is visible on the roof of a smaller structure to the right.A photograph of a white Cape Cod style house with a gambrel roof, dark shutters, and a small garage, set on a green lawn with trees in the background. The house features a white door and windows with dark shutters. A small white garage with a bird-shaped vent is attached to the side. The property is surrounded by lush green trees and a well-maintained lawn.
