The diagram illustrates a network structure with nodes and edges. The nodes are labeled with numbers and names: GAR, WDK, FFL, HST, BMT, and BNP. The edges are labeled with numbers. The diagram is divided into several colored regions: yellow, green, blue, and red. The nodes are connected by edges, forming a complex network. The labels and numbers are distributed across the diagram, with some nodes having multiple labels or numbers. The diagram is a complex representation of a network, possibly a transportation network or a social network.
