|                                                                                                    |  |           |  |                                                                            |  |                   |  |                                                                 |  |             |  |                    |  |        |           |                                                                     |            |                    |                             |            |                    |          |            |                    |          |          |  |
| </                                                                                                 |  |           |  |                                                                            |  |                   |  |                                                                 |  |             |  |                    |  |        |           |                                                                     |            |                    |                             |            |                    |          |            |                    |          |          |  |

The diagram illustrates a complex geometric layout, likely a site plan or a floor plan, divided into several rectangular sections. The sections are labeled with names and dimensions.

- Top Section (Red Outline):**
  - PAT:** A rectangle with a width of 19 and a height of 16.
  - GAR:** A rectangle with a width of 14 and a height of 24.
- Middle Section (Blue Outline):**
  - FFL:** A rectangle with a width of 10 and a height of 16, located below the PAT rectangle.
  - FFL:** A rectangle with a width of 5 and a height of 14, located below the GAR rectangle.
- Bottom Section (Blue Outline):**
  - FFL BMT:** A large rectangle with a width of 20 and a height of 24, located below the middle section.
  - 30x5:** A small rectangle with a width of 30 and a height of 5, located at the bottom center of the diagram.

The diagram uses color coding to distinguish between different sections: red outlines for the top section, blue outlines for the middle and bottom sections, and a green outline for the bottom-most rectangle.

A photograph of a single-story house with light blue siding, dark shutters, and a blue door. The house has a gabled roof and is surrounded by green trees and a wooden fence.
